KA38 Portable Outdoor Wireless Speaker

User Manual

Dear AWEI User,
Thank you for choosing AWEI product. Your choice is crucial for us, which means AWEI has added-gained a new user. Hope that we will bring you good experience through our products and services. Also hope you will put forward good advice and suggestions by official customer hotline, Weibo and Wechat in the process of product experience, which can help AWEI constantly improve product and service.

If you encounter any problems in using products, please refer to service process. Your support is our strongest power, also your recognition and evaluation are a great encouragement to AWEI. Thank you!

AWEI marketing team

Accessories List

- 1X Wireless Speaker
- 1X USB-C Charging Cable
- 1X 3.5mm Audio Cable
- 1X User Manual

Overview Of Speaker

1. Power button
2. Volume down button Long press: Previous song
3. Volume up button Long press: Next song
4. Pause/play
5. Mode button
6. Charging port
7. TF card port
8. AUX port
9. USB port

How To Use

Name and function:

- Answer a call: Short press the “▷” key
- End a call: Short press the “▷” key to end a call
- Reject a call: Double-click the “▷” key to reject a call
- Redial: Double-click the “▷” key to redial the last call
- Switch mode: Short press the “M” key to select the mode (Bluetooth/AUX/TF card/USB2.0)
- Volume increase: Short press the “+” key to gradually increase the volume
- Volume decrease: Short press the “-” key to gradually decrease the volume
- Play/Pause: Short press the “▷” key to play or pause a track
- Previous song: Long press the “-” key to return to the previous song
- Next song: Long press the “+” key to return to the next song
- RGB function: Long press the “M” key to turn on and off the RGB light, double-click the “M” key to switch the RGB light mode
- Reset function: There is a reset button inside the speaker bracket, press and hold for 4 seconds to clear the device reset and shut down

Bluetooth connection:

Turn on the speaker and turn on the Bluetooth function of the mobile phone, search for the Bluetooth name “AWEI KA38”, and click “AWEI KA38” to pair. A prompt tone will appear and the Bluetooth connection is successful.

Notes:

If you have connection problems, open the Bluetooth pairing directory on your phone, delete “AWEI KA38” from the pairing list and try pairing again.

How To Use

AUX mode:

You can use the AUX data cable to connect the phone and the speaker, and then short press the “M” key to switch to AUX mode. In AUX mode, you can control audio playback through the media device/phone.

External USB audio playback

USB: When the device is powered on, insert a USB drive with downloaded music to play the music.

TWS connection:

Turn on two speakers
Press and hold the “▷” button on one of the two speakers for about 2 seconds until you hear a prompt tone. Release “▷” and the speaker will enter the interconnection search mode until you hear a successful interconnection prompt tone. Activate the Bluetooth function of the phone and search for “AWEI KA38” to establish pairing.

Charge:

When the battery is low, “AWEI KA38” will sound a low battery alarm every 5 minutes. After three alarms, the speaker will automatically shut down. When charging the speaker with the included charging cable, the LED indicator light next to the charging port will be on red; when the speaker is fully charged, the LED indicator light will be on green. Please avoid using the speaker while charging to avoid degrading battery performance.

Power on/off:

You can long press the “⊕” button to turn the speaker on/off.

Safety And Maintenance

Please read suggestions below in order to help prolong the product lifespan and clearly understand the warranty clauses.

- ★ Keep the product dry, do not put it in humid circumstance to avoid short circuit.
- ★ Do not expose it to the sunshine or high heat. High heating will shorten lifespan of electronic components, damage battery and deform some plastic parts.
- ★ Do not put it in cold circumstance to avoid damage to PCB board.
- ★ Do not attempt to take apart the product, especially non-professionals.
- ★ Do not fall, vibrate strongly, strike with hard objects, to avoid damage to inner electronic circuit.

Safety And Maintenance

- ★ Do not use high chemical products/detergent to clean the product.
- ★ Do not scratch the surface with sharp items to avert damaging the case and appearance.
- ★ Do not make it charge 10 hours continuously for the sake of lifespan.

If the product can not work properly, please send it to AWEI authorized maintenance agents. Our staff will help to solve the problems for you.

Statement: In order to improve product performance we will upgrade products, the content may change without notice, pls forgive! Thank you for your purchase.

Products after-sales service

- 7 Days Refund Policy
A. Guarantee of Refund: Within 7 days since the date of purchase, the manufacturer promises to refund if the product bought from AWEI immediate shops or authorized distributor shops is in quality problem (artificial and external force damage excluded).
B. Refund Procedure: Please take the product, whole set of package and original invoice to (or please freight prepaid to) the shop you bought for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should refund the money the user paid for the product.
- 15 Days Replacement Policy
A. Guarantee of Maintenance: Within 15 days since the date of purchase, the manufacturer promises to replace if the product bought from AWEI immediate shops or authorized distributor shops is in quality problem (artificial and external force damage excluded).
B. Replacement Procedure: Please take the product, whole set of package and original invoice to (or please freight prepaid to) the shop you bought for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should replace the product and issue a new invoice to the user. Freight arrangements please check with the shop you contact.
- Twelve Months Warranty Policy
A. Guarantee of Maintenance: Within twelve months since the date of purchase, the manufacturer promises to offer maintenance service if the product bought from AWEI immediate shops or authorized distributor shops is in quality problem (artificial and external force damage excluded).
B. Maintenance Procedure: Please take the product, whole set of package and original invoice to (or please freight prepaid to) the shop you bought for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should repair the product and the seller should inform the user to collect it. Freight arrangements please check with the shop you contact.
- Quality Assurance Identification Rules
A. Quality Assurance is NOT applicable to those items: accessories like packing box, pouch, ear clip and earplugs; product beyond warranty period; product got from unauthorized agents or informal channels; fake AWEI product; AWEI premium; artificial damaged product; external force damaged product.
B. Quality Assurance Identification Procedure: Check warranty period (by original invoice) —— confirm original product (check security code on AWEI official website) —— check product damage (clarify artificial damage and external force like water, fire, chemicals or weight crush damage) —— check product quality (to confirm if the testing result is conform to description) —— check buying channel (subject to manufacturer's verification).
